2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Due to sheer number of claims involved and multiple amendments submitted by the applicant, for example one on December-8-2006 & the other on December-19-2006 and the amended claims submitted on December-19-2006 do not show (through strike through and underline) the changes that were made to the claims on December-8-2006. The applicant is requested to provide a fresh set of claims that clearly show (through strike through and underline) all the changes made to the claims that were originally submitted by the applicant on March 3, 2006 for examination to the USPTO.
